

United in Differences, Unlocking Potential

Diversity

The characteristics of people that make them unique.

Equity

The quality of being fair and just.

Inclusion

The state where people feel integrated and heard in all organizational policies and practices.

Why we Need an Inclusive Culture

Effective Diversity benefits employees and organizations—starting from the minute you hire people in your company through managing and developing them.

3 Key Advantages to an Inclusive Culture:

Wider talent funnel

Healthier work environment

Better business outcomes

Despite more than

80%

of organizations say that diversity and inclusion are important, only

30%

of organizations rated themselves highly for the critical signs of an inclusive culture.

There are **unconscious biases** that hinder DEI efforts.

DEI Strategy Success Requires a Holistic Approach that Includes:

1. People

Conduct continuous training to reduce unconscious biases

2. Process

Weave DEI initiatives in the entire employee life cycle from recruitment to talent review and succession planning.

3. Technology

Technology helps reduce biases and improve accuracy and objectivity.

How SHL Can Help You Build an Inclusive Culture

We build an unmatched portfolio of products, backed with years of science and research, which delivers the needed data-driven people insights for your talent acquisition and talent management processes. Our transformative talent solutions help you to:

1
