

Talent Management: Mobilize

Mobilize your workforce with unrivaled predictive power

It is difficult for HR to keep up with our constantly changing world. When change occurs or opportunities are created, you need to quickly mobilize the right talent to ensure the organization's needs are met. But identifying the best fit people can often take too much time and yield poor results.

SHL's end-to-end platform of talent insight gives you the power to instantly identify the best fit internal resource, as your needs, challenges and goals change.

.SHL.

Quickly make the most accurate and successful people decisions

Instantly identify which of your internal talent is the best fit for a role, project or team with our single platform of assessments and insights.

When the unexpected happens and you need answers quickly, you are supported with a dashboard of the industry's most scientifically valid and highly predictive insight. The insight you collect can be used for any leadership role and at any time, helping you to achieve your strategic goals and resolve your organization's new challenges without delay.

SHL Mobilize solution has four key capabilities:

INSIGHTS Increase your accuracy of selecting the right candidates by 3x. Instantly view workforce potential and connect talent to strategic objectives.

ASSESSMENTS & INTERVIEWS Quickly gather insight into personality and experience that can be used for any mobility opportunity.

EXPERIENCES An engaging and easy to use platform for you and your employees, with a mobile-first interface.

SERVICES Delivered by 300 psychologists in 150 countries, in over 40 languages.
